"In Defense of the Things We Love"

In this small city in central Wisconsin we, Americans, have come to regard our democratic government and its rights and privileges as the inalienable right of every American. We have come to take for granted America's place in the sun; we have never for a moment considered the possibility that our birth-right might be wrested from us. Free public education, freedom of speech and religion, and the American standard of living have all tended to make our life a favored one and our country a "promised land" in comparison with the rest of the world; nor have these inequalities bothered us to any great extent. Such has been the attitude not only of my own community but of hundreds of thousands of other communities in these United States.

Today all this is changed. The supremacy of our nation has been challenged. Today we are at war with three of the most powerful "have-not" nations of the world, testing whether the possession of rights, resources, wealth, and area shall be determined by might or priority. No longer can we Americans indifferently regard the underdogs of this world with uncalculating pity; nor can we fail to appreciate what America really means to us or our duties and obligations to Uncle Sam will be swallowed up by sophisticated twentieth century greed and materialism. Too often of late our government by the people has become a government in spite of the people. There is need, Americans, to take the road back; there is need, Americans, to reevaluate the important things in life; there is need, Americans, to regulate the war of profits so that the peace of faith may receive its fair value. If you would win, Americans, you must reorganize your concerted efforts with politics, profits, and jealousies forgotten. It's late but not too late! Wake up, America! We are fighting for our very way of life! No sacrifice is too great! We must win! We must dictate the terms of peace! There is no other choice. There is no other way. May God grant us the strength and the wisdom to see this through!

Hello, Boys and Girls!

'Member all the times I sat fondly looking after you as the last classroom door swung shut. Guess I'll never get over this sort of "crush" I have on all of you . . . boy, oh, boy!

Well, guess it's really true about every dog having his day, 'cus here I am right out in front, as your host in this place of all places . . . the yearbook. Now please follow me as I present a play which I wrote 'specially for you. Hope you'll like it. Just to let you know I'm still with you, I'll keep poking my head in every once in a while. Now, with a wag of my tail, let's be off.

With sympathy in our hearts and vengeance on our minds we would recall the dastardly act of inhuman cannibalism which took place on December 7, 1941. It was an act of such unsuspected trickery that its conception can only be blamed upon the inhabitants of a worldly "hell." It was an act aimed at the destruction of America's power in the Pacific in one single stroke. It was an act that revealed not only the uncivilized conduct of "devils" from the East, but one that displayed the innate poise and bravery of real Americans at a time of terrible and unexpected treachery. Let us, Americans all, keep the memory of that act constantly before us until the perpetrators of this "mockery" of all that is admirable in mankind shall have paid the price in full. Through the blood and sweat and tears of the critical period that lies before us, may God help us to conduct our national efforts with such patriotic vigor and unceasing loyalty as to inspire the historians 2000 years hence to utter the words, "Americans? This was their greatest hour!"

IN MEMORIAM

On December 26, 1941, John Loehrke, a member of the Class of 1932, paid the supreme sacrifice while in the service of his country. An outstanding athlete, a brilliant student, and a loyal son, John Loehrke was one of Mayville's best beloved young men. This, his alma mater, will ever mourn the passing of one of its finest products; the years may come and the years may go, but the memory of a real American will linger with us always.

"Board of Strategy"

Left to right: Dr. Bachhuber, K. C. Ruedebusch, Mrs. Carl Engel, Mr. R. Preim, Supt. G. Jones, Mr. A. Leder.

THE MAYVILLE SCHOOL BOARD

I don't know whether you have ever thought of it in that way before, but to be a loyal member of a school board you must certainly believe in the spirit of self-sacrifice. Material rewards for this service are practically non-existent. Yet the happy smiles of maturing youth and the pride of intelligent mothers and fathers more than evens the score with the naive and often antiquated criticism of community "know-it-alls." Board members must give unstintingly of their time and services. As liaison officers between faculty and community, they bear the brunt of the friction from both groups. Thus it is that in this year-book we pay tribute to our own deserving Mayville School Board.

The members of the school board are: Kurt Ruedebusch, Dr. Francis Bachhuber, Mrs. Carl Engel, Arthur Leder, and Richard Priem.

Kurt Ruedebusch has been on the school board for seventeen years; he holds office of clerk of the school board. He likes to go fishing and to play bridge in his spare time. Mr. Ruedebusch is a member of the American Legion, the Turners, and the Masons. He has toured Florida and Germany.

For eight years Mrs. Carl Engel has been a member of the school board. She is affiliated with the Girl Scout Council, the Woman's Club, the City Library Board, and the Methodist Sunday School. Her chief hobby is gardening. She has visited the Southern States, Niagara Falls, and Canada.

Dr. Francis Bachhuber is serving his eighth year on the board. He is a member of the Dodge County and the State Medical Societies, the American Medical Association, and the Rotary Club. He has visited Canada, the Dakotas, and the Central States.

Another member of the school board is Arthur Leder who has been a member for six years. He has traveled abroad, visited Washington, D. C., Pennsylvania, Missouri, and Canada. He belongs to the American Legion, the Legion Boy Scout Committee, and the Veterans' County Board.

Richard Priem has served four years on the board. He belongs to the Masons and the American Legion. Texas, Eastern United States, and Canada are included in his travels.

Our school board is a very representative group of this fine community. It has been their devoted and loyal service that has created the fine public school system that Mayville now enjoys.

OUR SUPERINTENDENT

You are passing through a momentous year. At the time of this writing, war has just been declared after our nation has been so cowardly attacked without warning by a nation with whom we sought peace. We do not know but that by the time this Rocket is published some of you may already be in the service of your country. If this call comes, it is my wish that you do your duty with honor to yourself, your school, and your country.

JANITORS

Left to right: N. Stipanovic, Mr. Guse, Mr. Frank, M. Stipanovic.

Throughout this book we are paying tribute to the clubs, teams, and students who bring victory and keep Mayville's flag waving high o'er its school. Seldom do we realize the importance that the janitor plays in the upkeep of the morale which makes this victory possible. Who would want to fight to bring honors to an unkempt school? Mr. Guse's winter day begins with the firing of the furnace at 3:30 A.M. Yet he is always the last one to leave the school buildings late at night following the school's frequent social and athletic events, because it is his job to put out the lights and lock up. We know no better words with which to show our gratitude to Mr. Guse, who has been our head janitor for seventeen years, to Mr. Frank, his assistant, and to Nick and Milan Stipanovic, who are the janitor's aides, than—"We salute you, Faithful Friends."

"Camp Schedule"

Every morning, Monday through Friday, our camp schedule calls us to our first class at 8:00 A.M. Each of the four morning classes lasts fifty-seven minutes. One of the regulations regarding these morning classes is that no outside assignments can be given for them. However, when we are called back to our afternoon classes after "Mess," we find this rule does not hold true as these classes are only forty-five minutes in length, making it necessary to have outside assignments. The Home Room period, introduced this year, runs from 1:00 P.M. to 1:10 P.M. All the members of this Camp look forward on each Tuesday to seeing free movies. These movies have covered many educational subjects including history, occupations, music, citizenship, science, current events, literature, and recreation.

"We, the People"

THE DECLARATION OF LOYALTY

We, the students of Mayville High School, in this period of national crisis would like to express our complete and undivided loyalty to our country. The duties we may perform, the services we may render, the sacrifices we may make, small though they may be, will carry with them the complete devotion of our hearts and souls. It is because of our faith in the Democratic processes that we do this. It is our firm belief, "There will always be an America!"

Look out below. Bang! Crash! Now don't get excited. It's just another locker door being closed.

"Hey, Bob, have you heard about the plans for the Rocket this year—something about the school being called Fort Education. Not bad-huh?"

"Yeah, so I hear. Jack, do you remember our Freshman year here? Man, oh man! Talk about green; we were a burning example."

"Yes, fellow, I guess we all remember our Freshman year, but just look at the change in us now.

"From those shy and retiring young boys and girls, we've blossomed into well-posed young men and women. Why even trends of clothing are different for boys as well as for girls. Now we, fellows, are seen sporting loud socks and plaid shirts just as flashy as the girls wear. There certainly has been a change.

"For instance, the change in the number of members in the Junior class; the class roll has increased and decreased until now the class has 80 boys and girls in its membership.

"Then there is the change in subjects. They're much more advanced than those we took the first two years of high school. In our Junior year we have had a pretty "solid" standing in most of the clubs and school activities. This year we began to really see the value of taking part in extracurricular activities.

"Perhaps that is why so many of the girls, fifteen of them, have again signed up for another year in G.A.A. Nine of the girls still hold membership in F.H.A. Six Juniors are members of the debate squad. And one of the boys has a membership card in the F.F.A.

"As far as sports are concerned the Junior boys have made a name for themselves. We had ten on the "A" squad football team and seven on the "A" squad basketball team. Four fellows were on the "B" squad basketball team.

"Among other contributions to school activities, the Junior Class has the responsibility of planning and sponsoring the annual Prom. This is one of the outstanding duties of the Junior Class. The class also has sponsored several informal dances during the year as well as held its own private class parties.

"All the activities that the Junior class had a part in, were successful. This was due to the cooperation of every member of the class."

The sophomore year, a year in which we have not yet acquired the sophistication of the Juniors, nor the dignity of the Seniors, is the in-between stage. The Seniors watched us and said, "Oh you'll learn!" The Juniors sneered and said, "Did you ever see such a bunch of wise guys?" Now I ask you, what could we do? We couldn't please everybody. But then this was not the only trouble we had to put up with. We still had to put up with assignments!

The assignments concerned Consumer Education, Algebra, Biology, English, Typing, and History. Did those teachers know how to make a fellow work. Wowee! Yet we lived through it, and as we look back upon the last school year, I'm sure not one of us would want it changed in any way. In fact eighty of us had just about the same amount of trouble. But even with all of that most of us had time to belong to some club or be in some activity.

Among the girls, for instance, 23 were members of the F.H.A., while twenty belonged to the G.A.A.

However, the fellows did pretty well, too. Eight of our masculine members belonged to the F.F.A. The number of Sophomores who were out for debate was seven, and they made a name for themselves. Fourteen of us were in the concert band. The Sophomore year really gave the boys a chance to make the football and basketball squads. This year five of the boys made the football "B" squad and six were on the basketball "B" squad. One fellow starred with the football "A" squad.

Social activity was also an important item with the Sophomores. Although we had no definite traditional activity to carry on the class did sponsor several class parties. These parties were financed by the contributions made by each member of the class. These parties were attended by the majority of the class and besides being financially successful were an immense amount of fun.

I think everyone of us of the Sophomore Class of 41-42 has hopes of not only acquiring the sophistication of the Juniors or the dignity of the Seniors but also the right to carry on the traditions of Mayville High!

FRESHMAN CLASS

President	Harold Dorst
Vice-President	Grant Docter
Secretary	Roger Schimmelpfennig

Advisor	Mr. Gordon

"Do you remember the first few weeks of school when the whole world seemed against you? When you very politely asked upperclassmen the way to your classroom and they carefully directed you to the wrong room? They thought it was funny, but your opinion was decidedly the opposite. Do you remember the worrying you did when you were told of "Initiation Night"? You tried to console yourself with the thought that you weren't the only one.

No, not the only one but eighty-three of us with the same feeling. But those fears and worries were over-run by another thought; the thought of really being a student in Mayville High, joining clubs and going out for sports, and really getting into the "swing of things."

You did get into the "swing of things" and in grand style, too!

For instance, eleven Freshman boys were members of the F.F.A. Five of the girls were associated with the F.H.A. Five members of the class were out for debate and did really promising work, too. Two members of the class were in the concert band.

Thirteen of the masculine members of the class were on the football "B" squad; eight were on the basketball "B" squad. The training and experience these fellows gained during the football and basketball seasons this year will assure the coaches of a wealth of material for the future football and basketball squads of Mayville High.

The Freshman Class does not have any specific activities such as sponsoring school dances or plays, but we did have our class parties. Donations given by each member of the class financed these parties. All the parties held this year were very successful.

The desire of every Freshman is to become, in every sense of the word, a more "solid" student of Mayville High, to become more and more a part of the school and its traditions!

STUDENT COUNCIL

Students of Mayville High School know the answer to the question, "What is a Student Council?" because student government was begun last year and it was very successful. This modern concept of student citizenship training has been continued this year.

To give everyone equal representation, two students were chosen from each home room. One was elected by the class, and the other was appointed by the home room teacher. The president was elected from the student body at large and Harold Benter, the former Chief of Police, was chosen. Harold Adelmeyer was elected vice-president, Rosemary Gerlach, secretary, and Martin Bachhuber, treasurer. Other members on the council are: David Helmbrecht, Jane Gruber, Ronald Stommel, Hallie Trauba, Jean Bachhuber, Willard Steffan, Ruby Mittelstadt, Darlene Youngbeck, Dixie Beaver, Myrtle Carrier, Jane Blodgett, Betty Endlich, Robert Bauer, Oliver Krueger, Steve Magyar, Phyllis Schellpfeffer, Shirley Hoepner, Wilbur Sperling, Wilmer Hundertmark, Naomi Marti, Dick Priem, and Kenneth Royer.

Eight members of the council went to the state meeting at Madison this year. Wilbur Sperling was elected a member of the State Executive Committee which conducts the business of student councils.

Some of the things the Student Council has done are: maintain a lost and found department, supervise some of the pep meetings, sponsor a "Sadie Hawkins" dance, set aside one room for study and one room for visiting during the noon hour, and establish a court system to correct offenders who break the rules the Council has made, with Ronald Stommel as judge and David Helmbrecht as bailiff.

These activities help the students gain experience in self-government. They take the problems brought up in home rooms before the Student Council and try to find a remedy. It is good practice in parliamentary procedure, and it gives them an opportunity to see how government functions.

"Building Citizens"

GUIDANCE PROGRAM

We have a well-developed guidance program to help and benefit the students of Mayville High School. Some of the things included in this guidance program are: National Youth Administration work, Student Council, Home Room Periods, Student Conferences, Counseling Day, and a complete testing program.

The National Youth Administration better known as the N.Y.A. is a program by which children of less fortunate means are able to earn money to help put themselves through school. Through this program the people are taught and trained in different branches of work which will be of use to them in later life.

Our student council has been doing a grand piece of work. Through this legislative body, we are able to help govern our school. It looks after the welfare of our students, but also exerts its power to punish those who may violate its rules and regulations.

The home room is a ten minute period of instruction before regular classes begin in the afternoon. During this time we have readings and discussion on citizenship, case studies on character, lessons in manners and etiquette, reports from our student council, a course in selecting an occupation, and training in Americanism.

Anyone who desires to do so may have a private conference with our principal to determine what is best for our welfare.

Each spring we have a Counseling Day during which time there are speakers from all of the most popular occupations to help us decide upon which vocation we wish to follow. Movies and illustrations have been added to the regular classroom routine to make school more interesting and to help us get a better idea and knowledge of the subject.

Top Picture: (Mr. Jones in conference with a student) R. Bath, Mr. Jones
Bottom picture: H. Hilbert, J. Leibold, Mrs. Springer.

We have a testing program which includes tests of mental ability, mechanical ability, clerical ability, musical ability, and personality traits. The purpose of this program is to find the occupation for which we are best fitted.

Thus you see, our school has a modern and complete guidance program aimed at building honest and intelligent American citizens.

VARSITY DEBATE

Mayville's debate squad was quite unusual this year in that it had two varsity teams. In decision debating, beginning with the Milwaukee district tournament to which Mayville had the honor of being last, Mayville was forced to abandon its hopes of going on to the state debate finals. The debate teams won but two out of six debates. The affirmative, Roland Schoenike and David Forst, lost to Hartford and Waukesha but won from Sheboygan Central. The negative, Wilbur Rosenkranz and Wilbur Sperling, defeated Waukesha High of Milwaukee (co-winner of the tournament with Plymouth) but lost to Horicon and Oconomowoc. As a result of this showing the teams were rearranged for the Little Ten Tournament. In this tournament, the affirmative, Rose Marie Zuern and Wilbur Rosenkranz, defeated Beaver Dam, Columbus, and Ripon, while the negative, Edward Naber and Wilbur Sperling, lost to Waupun and West Bend but defeated Horicon which had defeated our previous negative team in the Milwaukee district tournament. Thus by tying for second place, Mayville maintained its record for the tenth year of never having been lower than third in Little Ten competition.

Mayville's debate team closed its season at the N.F.L. District Tournament held at Marquette University on March 6th and 7th. Although establishing a record of but two wins as against six losses, the Mayville debaters pressed their opponents to the limit. The negative team of Edward Naber and Wilbur Sperling lost successive debates to New London, St. John's, Sheboygan North, and Sheboygan Central while the affirmative, Rose Marie Zuern and Wilbur Rosenkranz, lost to Waukesha and Port Washington, but won from Wakefield, Michigan, and St. Francis. It is interesting to note that four of Mayville's eight opponents finished first, second, third, and fourth in the tournament and that one of our two victories was scored over the third place winner.

"The Debate Season"

All of the members of last year's state championship team were graduated, but eight members of last year's squad remained. They were Beatrice Behnke, Richard Fischer, David Forst, Edward Naber, Wilbur Rosenkranz, Roland Schoenike, Wilbur Sperling, and Ruth Zirbel. Gradually the squad was expanded to a total of twenty-four members. The new additions were Myrtle Carrier, Betty Mae Endlich, Carrole Farrington, Jane Gruber, Thomas Helmbrecht, Shirley Hoepner, Betty Jones, Verona Luedtke, Lloyd Metke, Beulah Moldenhauer, John Oestreicher, Audrey Paap, James Schinderle, Arnold Schwartz, Dolores Schraufnagel, and Rose Marie Zuern. The majority of this group had their first practice debate of the season against St. Francis Minor Seminary of Milwaukee here on November 1. On November 15, they entered their first practice tournament of the year held at Plymouth. At this time the composition of the affirmative teams was as follows: Betty Mae Endlich and Rose Marie Zuern, Verona Luedtke and Wilbur Rosenkranz, Roland Schoenike and Beatrice Behnke, Jane Gruber and David Forst, Lloyd Metke and James Schinderle, with Carrole Farrington and Shirley Hoepner as alternates. The negative teams were Myrtle Carrier and Ruth Zirbel, Wilbur Sperling and Edward Naber, Betty Jones and Arnold Schwartz, Richard Fischer and John Oestreicher, Hallie Trauba and Beulah Moldenhauer with Audrey Paap as an alternate. The teams then began their rounds of practice debates at Plymouth, Marquette, St. John's, West Allis, Sheboygan Central, and Madison. At Marquette the negative team of John Oestreicher and Wilbur Sperling put on an exhibition debate for an audience. Since only three teams were allowed to compete at Sheboygan, the squad was cut considerably after the Christmas vacation. The affirmative team members who survived were Betty Mae Endlich and Verona Luedtke, David Forst and Roland Schoenike, and Wilbur Rosenkranz and Rose Marie Zuern. The negatives were Dolores Schraufnagel and Myrtle Carrier, Edward Naber and Ruth Zirbel, and John Oestreicher and Wilbur Sperling. After the freshman-sophomore debates were completed, Wilbur Rosenkranz, Wilbur Sperling, Roland Schoenike, David Forst, Rose Marie Zuern, and Edward Naber carried through the remainder of the season.

Fourteen freshman-sophomores participated in debate throughout the year. They were Betty Mae Endlich, Rose Marie Zuern, Verona Luedtke, Wilbur Rosenkranz, Lloyd Methke, James Schenderle, Carrole Farrington, Myrtle Carrier, Ruth Zirbel, Edward Naber, Betty Jones, Dolores Schraufnagel, Audrey Paap, and Thomas Helmbrecht. In the Mayville Freshman-Sophomore Tournament, the negative, Edward Naber and Ruth Zirbel, defeated Waupun, Ripon, and Deerfield, while the affirmative, Wilbur Rosenkranz and Rose Marie Zuern, sustained victories over Waukesha and Pius XI but were defeated by Horicon. At the Sheboygan Central Tournament, the affirmative, Verona Luedtke and Betty Mae Endlich, defeated Plymouth, Sheboygan Central, and Sheboygan North whereas the negative, Myrtle Carrier and Dolores Schraufnagel, sustained victories over West Bend and Plymouth but were defeated by Sheboygan Central. The following week the affirmative, Betty Mae Endlich and Rose Marie Zuern, and the negative, Ruth Zirbel and Edward Naber, tied for second place at the University of Wisconsin Tournament at Milwaukee which was an excellent showing considering the fact that this was a first team tournament. The freshman-sophomores who debated in the Little Ten Tournament as members of the varsity team were Rose Marie Zuern, Edward Naber, and Wilbur Rosenkranz.

It is interesting to note that the results of tests in logical reasoning and critical thinking given to two groups of sixteen people, one composed of debaters and the other of non-debaters, showed the debaters to be superior to the non-debaters in these characteristics. The results further showed that six of the sixteen Mayville debaters scored grades as high as or higher than the average of two hundred Wisconsin high school debaters who participated in the testing program. The tests were administered under the direction of the speech department of the University of Wisconsin and were graded at Madison.

"Shall Liberty Be Blitzkrieged?"

David Forst has participated in debate for the past three years. He is a junior in school. His colleagues this year were Jane Gruber and Roland Schoenike. He participated in the Plymouth, Madison, Sheboygan Central, and Milwaukee District tournaments, debating on the affirmative side of the question. David won twelve of the twenty-six decision debates he took part in this year for a winning percentage of forty-six per cent.

Edward Naber has been debating for two years and is a sophomore in high school. His colleagues this year were Ruth Zirbel and Wilbur Sperling. The tournaments he debated in were the Plymouth, University of Wisconsin, Mayville Freshman-Sophomore, Milwaukee District, Little Ten, and N.F.L. District contests. Edward, debating on the negative, was a member of the team which tied for second place in the University of Wisconsin Tournament and which won second place in the Little Ten Tournament. He participated in twenty-seven debates this year, placing on the winning team eleven times for a winning percentage of forty-one per cent.

Wilbur Rosenkranz, a sophomore, had as his colleagues in this, his second year of debate, Verona Luedtke, Wilbur Sperling, and Rose Marie Zuern. The tournaments he debated in were the Plymouth, Marquette University, Mayville Freshman-Sophomore, Milwaukee District, Little Ten, and N.F.L. Debating on the affirmative, Wilbur was a member of the team which won second place in the Little Ten Tournament. In addition to many non-decision debates, Wilbur took part in twenty-seven decision debates and was on the winning team in fourteen of these debates for a batting average of fifty-two per cent.

Wilbur Sperling participated in debate for his second year. He debated on the negative side of the question, and was a member of the team winning second place in the Little Ten Tournament. Wilbur took part in thirty-one decision debates and won thirty-nine per cent of these.

Roland Schoenike, a junior with two years of debating experience, is our next subject. His affirmative colleagues were Beatrice Behnke and David Forst. Roland took part in twenty-seven decision debates and was on the winning team in eleven of them, thus establishing a winning percentage of forty-one per cent.

Rose Marie Zuern established a fine record as a freshman out for her first year of debate. Her colleagues, on the affirmative, were Betty Mae Endlich and Wilbur Rosenkranz. She was a member of the team which tied for second at the University of Wisconsin Tournament and which placed second in the Little Ten. Rose Marie participated in twenty-nine decision debates, was on the winning team eighteen times, and maintained a fine winning average of sixty-two per cent.

"Representatives of Democracy"

THE SPEECH SEASON

This year the forensic participants were coached by Miss Kildsig and Mr. Schmidt. The former had charge of the declaimers and extemporaneous readers while the latter had charge of the orators and extemporaneous speakers.

Thirteen students of Mayville High School participated in the Milwaukee Washington Invitational Declamatory Tournament on February 28. They were L. Graunke, T. Strasser, J. Becker, E. Mauch, J. Gruber, B. Jones, R. Gerlach, C. Marrese, J. Schrauth, V. Panjkovich, D. Schraufnagel, R. Schoenike, and V. Luedtke.

There were five boys who took part in the Legion Oratorical Contest, namely, R. Ruedebusch, R. Schoenike, R. Cose, T. Thorgerson, and H. Adelmeyer. Schoenike, Ruedebusch, and Thorgerson were the first, second, and third place winners respectively.

On March 14, the Annual Mayville Oratory Tournament took place and twelve schools were represented by eighty-four contestants who attended. The orators who attended were from Cedarburg, Horicon, Juneau, Kenosha, Mayville, Watertown, West Bend, North Fond du Lac, Oconomowoc, Oshkosh, Milwaukee Washington, and Waupun. Those who represented Mayville were R. Cose, B. Endlich, R. Ruedebusch, A. Schwartz, R. Schoenike, W. Sperling, T. Thorgerson, K. Kelly, N. Marti, E. Naber, J. Oestrieher, R. Zirbel, and R. Zuern.

Roland Schoenike, Boneau-Whereatt Post orator, gave a creditable account of himself in the district elimination contest held at Oshkosh on March 18, Roland tied for first in his section, thus qualifying for the final competition. Here he placed third, just one place too low to qualify for the state finals at Kenosha.

Mayville High School's forensic squad exceeded all previous accomplishments when five out of ten representatives in the Little Ten Contest held at Horicon March 21 qualified for the Milwaukee District Contest held March 26, at Pewaukee. Those who qualified by receiving "A" ratings were R. M. Zuern, L. Graunke, V. Schwandt, E. Naber, and W. Sperling. By default Mayville won both first and second place in original oratory. The ribbon for first place went to Roland Schoenike while second place was won by Thor Thorgerson.

The following events took place too late to include the results in the 1942 Rocket: Milwaukee District Contest at Pewaukee on March 26, State Forensic Tournament at Madison on April 10 and 11, the N.F.L. District Tournament at Carroll College on April 17 and 18, and the Student Congress at Oconomowoc on May 15 and 16.

LATE SPEECH RESULTS IN 1941

At the Milwaukee District Tournament, Robert Schinderle had an A rating in extemporaneous speaking; Rosemary Youngbeck had a B rating in humorous declamation; Dorothy Anderson had a B rating in extemporaneous reading. Robert Schinderle did not compete in the state contest because of a conflict with the National Speech Tournament held at Lexington, Kentucky, where he placed twelfth in the nation.

MASQUE AND GAVEL

This organization, which is a national speech society, originated at Northwestern University and has been gaining rapidly in the last two years. The Masque and Gavel organization has definite aims here at Mayville. They are to increase interest in speech work, forensics, debate, and dramatics.

This year the officers who were elected at the first meeting were: President, Wilbur Sperling; Vice-President, Shirley Hoepner; Secretary, Jean Bachhuber; Sergeant-at-Arms, Richard Fischer.

Meetings were held on the first Monday of each month. There was a short business meeting followed by a social meeting. The members decided to study plays and readings during their meetings. At the time of initiation the members received a membership card, a pin, and a magazine subscription. Initiations were held twice during the year to add to the society's roster.

Masque and Gavel is serving a very worthwhile purpose and deserves a definite niche of honor among our school activities.

N. F. L.

One of the most prominent and most popular school organizations is the local chapter of the National Forensic League. Mayville may be proud, for she possesses the largest chapter in the state with 83 members and degrees.

The Wisconsin District N. F. L. Student Congress was at Madison, April 27-30. Nine people were selected to attend this congress. Mayville had the largest delegation at the congress last year.

The officers of the local chapter this year were David Helmbrecht, president; David Forst, vice-president; Edward Naber, secretary; Wilbur Sperling, treasurer; and Ruth Zirbel, Distinguished Service Award Custodian.

Mayville's debate team closed its season at the N. F. L. District Tournament held at Marquette University on March 6 and 7. While at this tournament, they won two debates and lost six.

Many people have wondered just what the National Forensic League is and how it operates. It is an organization to promote better speech activities, and to duly reward those who participate in speech work. It has been very successful here due to the labors of its efficient advisor, Mr. Ralph Schmidt, who has been advisor of the organization for the last ten years. Under his direction the chapter has grown to be the largest in the state. We can indeed be thankful to Mr. Schmidt not only for the outstanding success of the local chapter but for the many laurels won year after year by our speech department.

Chapter Honor Members—J. A. Thiel, L. C. Johnson, R. L. Endlich.

On November 14th, the thespians of Fort Education entertained an afternoon and evening audience with a notable effort in a chronicle entitled "Don't Take My Penny." Much credit is due the directors, Miss Kildsig and Mr. Schmidt, for the splendid characterizations and the well-rounded performance of their proteges.

The story revolves around the experience of one Penny Pringle (Lorraine Ulrich) who at the age of sixteen decides to put aside her tennis associations with her boy friend, Kerry Harper (Eugene Mauch), his friend, Greg (Lawrence Froeming), and her girl friend, Joanna (Audrey Paap) and become a movie actress in the current production "Stars in Her Hair" by forcing herself upon the author, Harrison Day (Bill Blodgett) and the movie publicity man, Norman Porter (Dick Ruedebusch). The various members of her family seem little perturbed by this juvenile brain storm except Gram (Beatrice Behnke), the untiring grandmother who has taken over all of the responsibilities of raising the family from her daughter, Lydia (Dorothy Theil) who has become so involved in social activities outside of her home that she has no time to listen to the pleas of her son, Mark (Donald Grosenick) who wants to become a farmer. However, Mark has one loyal listener, the Pringle's maid, Sally, (Beatrice Schimelpfenig) who later becomes a member of the Pringle family.

Caleb (Ralph Baertschy), the absorbed father of the Pringle family, and Mavis, (Rosemary Koepsell) the older sister, also share their ability as members of the household.

As the play proceeds it brings to the limelight the plan of Kerry and Greg to make Penny forget about Hollywood. This plan includes the French dress designer, Monsieur Henri (Thomas Helmbrecht) from whom they borrow their clothes to complete their disguises. It also brings in three pretty young models, Elsie (Betty Jones), Lucille (Catherine Schnaderbeck), and Claire (Luella Graunke). Red, (Wilbur Rozenkranz) the delivery boy, also adds a humorous touch to the play.

In the final scenes of the play we find Harrison Day picking Mavis to play the part of Dimity West, while Penny is adjusting herself to tennis and Kerry again. Sally and Mark finally decide on that little farm.

 A Woman.....B. Behnke
 Director.....Miss Josephine Kildsig

On May first the Senior Class presented a three-act mystery play which was enthusiastically received by a large audience.

The plot revolves about one Donald Abbot (L. Froeming) who inherits an old mansion on Black Island close to a prison with the stipulation that he must live in the house a full year before the property definitely becomes his. Failing in this, the house and island become the property of Zoe Ainsworth (E. Mueller). Mrs. Kahn (R. Gerlach) and Zombe (R. Bandlow) feeling unsure of their positions plot to sicken Abbot of his bargain. Richard Grant (B. Blodgett) with the help of Kay's scheming aunt (H. Trauba) is also plotting to regain Kay's favor.

Top Picture: L. Froeming, M. Bachhuber, H. Trauba, R. Gerlach, D. Helmbrecht, W. Blodgett.
 Bottom Picture: O. Krueger, B. Behnke, S. Suckow, E. Mueller, R. Koepsell, R. Bandlow.

Even without their plotting there are ample mysterious events which involve a weird vampire bat effigy, token of an African cult, which wields an evil influence over the house's inhabitants. The Vampire Bat comes to life followed by Jugobia (M. Bachhuber), a desperate criminal, who invades the island. In the end Donald overcomes the evil forces, receives the estate with no strings attached, and his prospects of marrying Kay glow very brightly.

THE 1942 ROCKET

BIG BUSINESS

(Annual Staff)

The Rocket of 1942 is a book that loses nothing by comparison with previous Rockets. Our book portrays in words and pictures the school year of '41-'42, thus forging another link in the chain of school history. Our theme of "Democracy's Willingness to Fight for the Ideals We All Love" was selected as a patriotic, sincere, and timely expression of the loyalty of American youth. Every member of the staff has tried very hard to

make this an outstanding book.

Our Rocket has never been self-supporting. With a sale of less than three hundred copies, the printing, photography, and engraving costs cannot all be met. This year the senior class donated one hundred and eighty-five dollars to the support of the annual. We think it only fair to ask that the subscribers who like their 1942 Rocket express their appreciation to the Senior class.

Our present school newspaper was published for the first time last year by the junior and senior English classes, and it was made a free publication so that everyone might enjoy the reading of it. This policy was continued this year under a streamlined newspaper entitled "The Fifth Column" by selected

members of the sophomore, junior, and senior English classes. This newspaper was issued to the students once a month.

We, of the newspaper staff, feel that we are getting excellent practise both in writing and in typing.

Credit should be extended to Mr. Smith for supervising the composition and to Miss Bierbaum and her "advanced" typing class for the typing and making of stencils preparatory to the mimeographing of the newspaper.

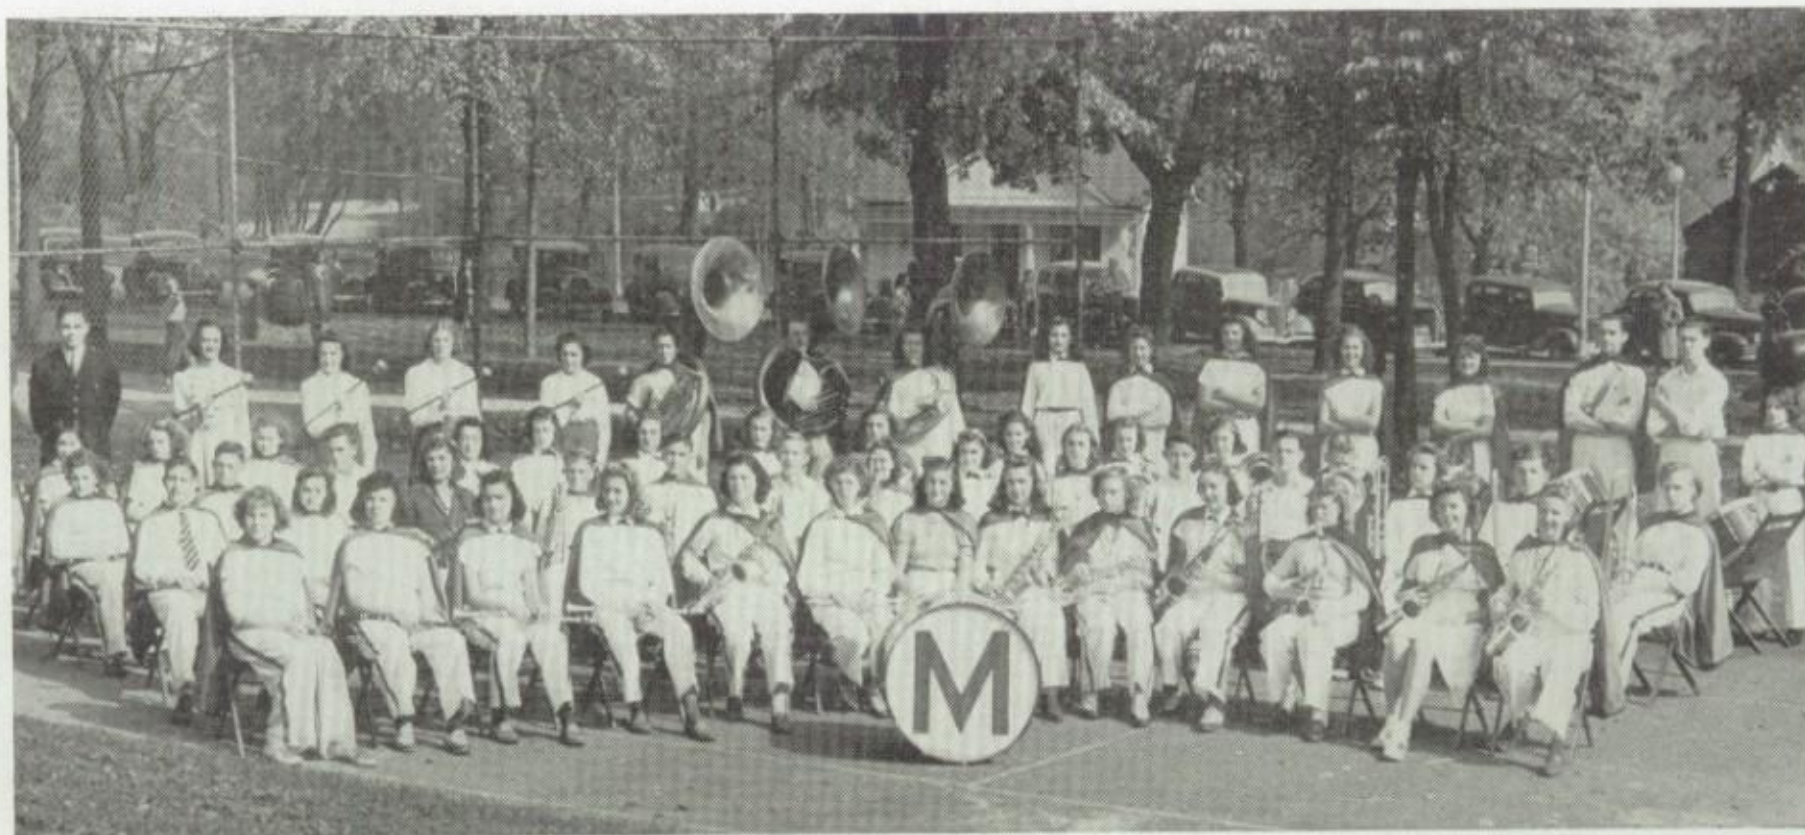

The student reception of "The Fifth Column" has been very favorable and the members of the staff enjoyed their excursion into the "Fourth Estate." Who knows, but we may have a future Eugene O'Neil or a Sherwood Anderson in our midst.

THE CONCERT BAND

The Concert Band practiced at eight o'clock every Monday, Wednesday, and Friday during the school year. This time of the day the students are rested and able to concentrate and because of this favorable time and the regularity of practice they made rapid progress, and because of the inspired leadership of Mr. Gordon our band improved to the point that it was called the finest band our high school has ever had.

In the fall of the year, the band played for the home football games, and exhibited its marching between the halves of these games. During the Homecoming celebration, the band led the classic Hobo Parade. Appropriate music was furnished for the Armistice Day assembly.

A group of players from the band was organized into a "Pep Band" which played for the basketball games at Mayville and also showed their pep and school spirit when our team played at other schools.

The band has had an important part in all the school's concerts given during the year. The music was enjoyed both by the audience and the young musicians themselves.

Our band doesn't enter into competition with other schools; the emphasis is on teaching cooperation to its members. As a result of this friendly teamwork and lack of rivalry, the value of working together has been taught to our young people.

BEGINNERS' BAND

The "Beginners' Band" this year consists of beginners, not only for the Concert Band, but also those who plan to be members of the Classical Orchestra. This group consists of thirty-three people. The sections include six drummers; eight cornetists; eight clarinetists; four saxophonists, two pianists, one bass violinist, one trombone player, and three violinists. Under the excellent direction of Mr. Gordon, many of these people are now ready to enter, or already have entered, either into the "Senior" band or the Classical Orchestra.

Practice sessions for these groups are taking place any time from eight A.M. to three-thirty P.M., and even later. You may hear everything from Tchaikowsky's Concert in Bb Minor or John Philip Sousa's stirring marches to practicing of the chromatic scales. Of course, there are sour notes as well as sweet, but then, we all know that "practice makes perfect." We hope they keep up the fine work for we know that music brings happiness and happiness nowadays is vitally important to our country's morale and defense program.

THE CLASSICAL ORCHESTRA

Of all the high school organizations, the Classical Orchestra is the most handicapped. The reason is that many of the boys and girls are unable to stay after school for practice.

Though the orchestra this year was small in number, those present played with enthusiasm and many fine creations were the result. Some of these pieces were "The Merry Widow Waltz" and "Andantino." New books were purchased which contained pieces of interest to those present.

This year our orchestra made a fine showing on the commencement program.

One thing that the orchestra taught to its young people was the appreciation of classical and semi-classical music. They also learned to know and understand the music of the "Masters." In a small way, our Classical Orchestra carried on to others the great music of the world.

DANCE ORCHESTRA

Although our school dance orchestra is smaller this year, everyone agrees that it is much improved over former years. It has provided very fine music for almost all of our school functions.

Almost every Wednesday evening you can hear the sweet and swing music produced by the outstanding musicians who make up the orchestra. These people are Jean Bachhuber and Tom Helmbrecht, the Eddie Duchins, whose magic fingers flit over the piano keys to produce melodious strains, such as cannot be done by any other; Dorothy Schumann, devoted alumna extraordinary. They say that both she and the very talented Betty Jones are related to the great saxophonist, Jimmy Dorsey. Also, a member of this fine orchestra is Bill (Gene Krupa) Blodgett, who can really "beat it out." In the midst of this we have Bill (Jack Teagarden) Heinrich and Harvey (Tommy Dorsey) Sperling with those super trombones. George (Artie Shaw) Janssen cannot be forgotten either. So far, we haven't mentioned that great trumpeteer and graduate of this school, Elwin (Henry Busse) Huck, nor that very outstanding soloist with the golden trumpet, Dick (Harry James) Ruedeusch, both of whom contribute a great deal to this fine orchestra. Last but not least is our bass soloist, Wilburt Gruenewaldt. We must also extend a hearty "Thank You" to Mr. Gordon, our new and very capable head of the music department.

High School Chorus at rehearsal.

VOCAL MUSIC

The chorus is an organization in school to which anyone who loves music may belong. One doesn't have to be able to play an instrument or to sing especially well, to enroll for singing. All who are interested in music and who like to sing may be members.

The chorus like the band has participated in all the school concerts of the year. The pieces sung have been of many varieties so that they appealed to all types of music lovers.

In this year's chorus the number of boys have been very few in proportion to the number of girls, so considerable time has been given over to practicing and singing as a girls' glee club.

The world today is in need of singing. Too few countries hear the strains of songs from their young people. All of us should be grateful for the chance to sing together the songs we love the best.

OUR TRIPLE TRIO

The Triple Trio was organized four years ago. This school was among the first in the conference to have such an organization. Though it is in its infancy, the Triple Trio has made its "place in the sun," and is considered one of the best organized and most popular of the musical groups in school.

This year we have sung for many clubs and organizations and the nine carefully selected girls have been very proud of their opportunity to give musical enjoyment to others.

For many years the German Club has taken an active part in school activities. It was organized with the purpose of giving its members a chance to learn more of the German customs and to give the new students of German the "feel" of the German language. It is also a social organization.

This year's German Club is under the leadership of Miss Schroeder. It is not as large as in the past because of the smaller number of students taking junior and senior German. However, the club encouraged those seniors who studied German last year to join the club.

At the beginning of the school year, the annual initiation of the new members was held. Everyone present enjoyed the fun. Throughout the year parties and social events were held.

Scouting is one of the greatest youth movements here in Mayville, just as elsewhere in America. Mayville has a large number of Boy Scouts, and as a result, two troops have been formed. Troop 17 is sponsored by the Rotary Club, while Troop 18 is sponsored by the American Legion.

Both troops have a set program for the entire week. This program may vary in arrangement; however, generally it is planned as follows: Monday—the regular troop meeting; Tuesday—special patrol meetings; Thursday—the handicraft and First Aid meetings; Saturday—the scout basketball practice in the morning and the weekly hike in the afternoon.

In addition to all of this activity a special pot-luck supper was held for the scouts. After this banquet a Court of Awards was held, and the scouts were given advancement badges which they had earned through scout work. On November 18, the Badger Council's annual Appreciation Banquet was held, and the coveted Eagle award was presented to Victor Ulrich of Troop 17.

Patrol contests were held which lasted for several months. The winning patrols were given their choice of a trip to either the Poynette game farm, Fond du Lac, or the Milwaukee zoo.

The Boy Scouts are really working hard on advancement and for the good of the troops. If they continue this work, Mayville will become known as one of the best scout towns in the Badger Council.

GIRL SCOUTS

During the year the Girl Scout troops have done their part in National Defense by helping the American Red Cross. The troops folded, cut, and made bandages. The girls felt that they would like to do something that would benefit others. Their Christmas project also was a help to the community. The girls gathered up old and broken toys. These toys were repaired and painted and then given to the less fortunate children of the community.

Girl Scouting wasn't all service to others. The Scouts went on hikes and had many parties. When plans were made for hikes or parties, which were quite frequent, all of the duties weren't carried out by one person, but by the whole troop. In this organization the girls learned to work projects. The girls worked hard on their badge projects not only for the glory of possessing the badge but also for the valuable experiences which the projects afforded.

THE "A" SQUAD FOOTBALL SEASON

The tough work on the gridiron began in September and continued through the first three months of the school year.

Most of the boys were back from last year's squad, only five veterans having been graduated. Nevertheless most of these players were still green because of last year's curtailed season.

We believe the boys did a great job in all of the games they played. They didn't win, but the members of the opposition in each game knew they were up against a real ball club. When the boys lost a game, they worked just that much harder the next week. There never was a let-down from one week to another.

In the first game the team received the toughest break of the year when one of the key players, Jerome Gentz, sustained a bad injury to his ankle. This injury forced Mr. Dunn to change the line, because another one of the linesmen had to be trained for center spot. Gentz wanted to get back into the line-up, but the doctor's orders kept him idle for the rest of the season. After this bad luck the team had to work a great deal harder, but they did, and did a very good job of it.

One thing is certain. As we look back over the 1941 season, we must give our team credit for showing fine cooperation, real grit, and a "never-say-die" spirit.

THE GAMES

MAYVILLE vs. WAUPUN, HERE

After a tough battle our team dropped their first clash by a score of 6 to 0. Waupun made their touchdown in the third quarter on the "Dead Indian" play, one of the oldest plays in football history.

MAYVILLE vs. COLUMBUS, THERE

This was the first night game of the season. The boys looked much better than previously. They lost the decision by a 20-6 margin. The Mayville touchdown was made by Bob Zuern on a line plunge after a long march up the field.

MAYVILLE vs. PLYMOUTH, THERE

The boys played another splendid ball game, but couldn't "come back" after Plymouth scored twice in the early minutes of the game on fumbles. The boys got deep into Plymouth territory several times, but couldn't tally. The game ended with a score of 21 to 0.

MAYVILLE vs. BEAVER DAM, THERE

This was another night game, but the boys looked 100 per cent better. The team met one of the toughest teams in the

conference and after a thrilling battle lost by a score of 20-7. The Mayville score was made on a pass from Bath to Feucht. The extra point was made on a pass to Weinsheim.

MAYVILLE vs. RIPON, HERE

The homecoming battle was one of the best games of the season. Mayville came out on the short end of a 14-13 count. Mayville's first touchdown was made on a double reverse from Zuern to Feucht to Bath who ran 40 yards to score. The second one was made by Bath when he intercepted a Ripon pass for a 70 yard run.

MAYVILLE vs. WEST BEND, THERE

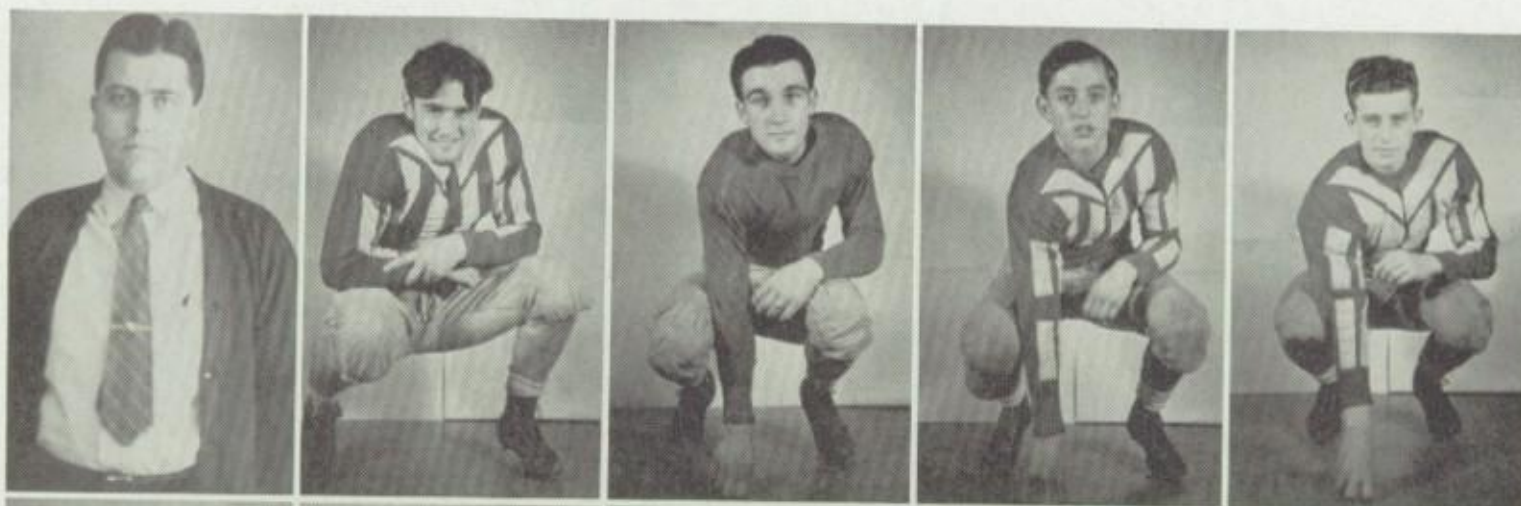

This game was cancelled because of impossible weather and the inability to find a suitable date.

MAYVILLE vs. HORICON, HERE

The traditional Armistice day game was a great thriller. The rival teams fought to a 7 to 7 deadlock. The first touchdown was made on a double fake reverse and "Ikey" Froeming ran 30 yards for the score. The extra point was made on a line plunge by Bob Zuern.

THE "B" SQUAD FOOTBALL SEASON

Mr. Whitford's inexperienced and incomplete "B" squad can easily be forgiven for the appearance of their schedule. During the larger part of the season, Coach Whitford did not have enough players to outfit two teams, and as a result scrimmage was impossible. But in spite of it all, a number of promising prospects were trained in fundamentals. Some of them will surely be winning games for good old Mayville High next year!

GIRLS' ATHLETIC ASSOCIATION

In 1938, the first girls' athletic organization at Mayville High was established, the Girls' Athletic Association. The organization was designed to give the girls more of an opportunity to participate in athletics.

The G.A.A. meetings are held Thursday evenings. Throughout the year, we have a succession of Round Robin in volleyball, basketball, and baseball. Following the completion of each Round Robin, interclass championship games are played.

Awards of emblems, letters, and pins are given when a member has received the number of points necessary.

In order to add a little variety to the organization's program, frequent parties are held. These include the initiation party for members, the spring ice cream party, and the winter sleigh riding parties. Besides these, a G.A.A. dance is held.

The G.A.A. has in four years become an important organization to all the high school girls. It has enabled us to participate in many sports and to have a lot of fun not available to girls previously.

VARSITY BASKETBALL

Our basketball team this year was fortunate in having seven veterans back from the previous year. The squad members from last year who returned were Helmbrecht, Schwantes, Ruedeusch, Hartwig, Froeming, Bath, and Benter.

Our players found the conference loaded with good evenly-matched teams, but Mayville won its share. At times Mayville played exceptionally fine ball and there were times when the play was just average. Speed and good condition were the outstand-

ing assets of the team and the lack of height and teamwork were the principal deficiencies.

The boys who have played their last games for Mayville are Helmbrecht, Froeming, Bath, Benter, Leder, and Blodgett. In mid-season the team lost two players. Bob Zuern enlisted in the United States Marines and Jerome Gentz left school to work on the farm.

The team wishes to express their appreciation to their coach, Mr. Dunn, for his fine leadership, careful instruction, and good fellowship.

THE SEASON

PLYMOUTH 24

This game saw Mayville come from behind to nose out the "Cheesemakers."

BERLIN 17

This was a nip and tuck battle with Mayville on top all the way. Froeming was high scorer with eleven points.

BEAVER DAM 38

Pete Zernov and Beaver Dam turned on the heat to ring up a one-sided victory. Harold Benter was high scorer with three points.

HORICON 28

The game was a hard-fought battle with the "Cards" forcing the "Marshmen" throughout the game. Froeming's eight points took the scoring honors.

HARTFORD 29

Too much Christmas vacation beat out the Cardinals. "Ikey" Froeming was high scorer with six points.

OCONOMOWOC 27

Mayville turned on the heat up-setting a favored "Cooney" squad. Froeming was the "big-gun" with fifteen points.

PORT WASHINGTON 32

A last minute rally fell short. "Ike" Froeming was high scorer with eleven points.

WAUPUN 25

This "topsy-turvy" contest saw the "Cards" cling to a slight lead throughout the game. Ike Froeming was the high scorer with eleven points.

HORICON 29

Luck was the key-word in this game, with all of it going to Horicon. Froeming was high scorer with ten points.

WEST BEND 28

A smooth-working offense and a tight defense brought the Cardinals victory. Helmbrecht was the high scorer with fourteen points.

COLUMBUS 37

The "Cards" couldn't seem to get started and as a result lost their final conference game. Don Grosenick was high scorer with six points.

WATERTOWN 34

The Cardinals got off to a fast pace, but fell back before the consistent shooting of Watertown. Dave Helmbrecht was high scorer with eight points.

THE "B" SQUAD BASKETBALL SEASON

THE "B" SQUAD SEASON

Never has a school had a finer "B" team, and never has this student body supported the "B" team as they did this year. In size, speed, shooting skill, and teamwork our second team was outstanding. A lion's share of the credit for the remarkable record compiled by this year's "B" squad belongs to their coach, Mr. Whitford. It is our firm belief that these boys will continue their winning ways next year as members of the "A" squad.

FUTURE FARMERS OF AMERICA

The Future Farmers of America is a national organization of farm boys, organized to develop competent, aggressive, rural, and agricultural leadership and to strengthen the confidence of farm boys in themselves and their work. The Mayville chapter was founded in 1939 in conjunction with the agriculture department and has become well known for the complete program of work that it follows.

One of the distinctions a member can earn by hard work is a place on either the livestock or crop judging teams and represent the organization at the annual state judging contest held at Madison. The team members this year were:

Crop Judging Team: Lloyd Metke, Allan Rusch, Martin Keup.

Livestock Judging Team: Willard Steffan, Willard Derge, Edgar Quandt. William Schultz was the delegate to the F.F.A. state convention.

Each year the F.F.A. members go on a camping trip, an educational tour, and hold a Father and Son banquet. After the banquet the members show their parents what they are accomplishing in their agricultural work, and interest them in the activities of the organization.

Those members who have earned the advanced degree of Future Farmer are: Harold Fischer, Martin Keup, Edgar Quandt, Willard Steffan, Allan Rusch, Lloyd Metke, Jerome Gentz, and Arnold Schwartz.

The officers for the year were elected at the close of the preceding school year and they are: President, Martin Keup; Vice-President, Jerome Gentz; Secretary, Willard Steffan; Treasurer, Harold Fischer; and Reporter, Edgar Quandt.

This organization is under the capable leadership of Mr. Buechel. He is deserving of a great deal of credit for his interest, his untiring service, and his intelligent handling of the problems of the farm boy.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of Wisconsin is a state organization whose purpose is to help each girl to develop socially and to become interested in home practice.

This chapter was organized in the year of 1940 by forty charter members and has made a great deal of progress since then. This year there are 74 members. In order to join the chapter the girls must write a theme on their home practice work and learn the creed.

We hold our chapter meetings twice a month or every two weeks. Our programs consist of a business meeting followed by some sort of recreation. Our chapter programs include outside speakers, programs by the girls, and parties.

Each girl in her first year in the organization wears a green scarf, in her second year a violet scarf, and in her third year a violet scarf and pin bearing the insignia of the F.H.A. Each officer has a different colored scarf. The officers elected this year are: President: Margaret Neumeyer, a white scarf; Vice-President, Verona Luedtke, a blue scarf; Secretary, Janice Mildbrandt, a red scarf; Treasurer, Jane Blodgett, a yellow scarf; Historian, Dixie Beaver, a violet scarf; and our popular advisor, Miss Sanner.

The many happy memories of our 41-42 associations in F.H.A. will remain with us forever.

"The General's Interpreters"

THE SPANISH CLUB

Because we are trying to gain a more friendly relationship with our South American neighbors, it is best that we know and understand some of their customs and habits. Since we consider knowing the language as one of the most important elements in understanding peoples, Spanish, the basic language of the Latin American nations, has been introduced in many schools. In Mayville many enthusiastic students have selected Spanish for one of their school subjects.

Mr. Jones is teaching the Spanish class. Under him a Spanish Club was organized at the beginning of the year. This club functions much the same as the German Club. Once each month, the class period is given over to the Spanish Club meeting. To stimulate an interest in Spanish customs and life, Mr. Jones has introduced games that are common in South America. Movies pertaining to Latin America's life and habits are shown. Occasionally the meetings are held at Mr. Jones' home.

Because this is the first year that Spanish has been taught in Mayville, the Spanish Club is really just getting under way. Thus far no officers have been elected. The Spanish students hope next year the club will be enlarged and then, "watch their speed."

JUNIOR PROM

On the tenth of April the strains of Arch Adrain's orchestra ushered in the 1942 Prom sponsored by the Junior Class.

Keeping in tune with the times, the theme of the Prom was Modern Design. The decorating committee made up of Bob Schwantes, Mary Orovich, Jane Gruber, Joyce Wheeler, Mae Owens, Tom Hartwig, Dick Ruedebusch, David Forst, and Donald Grosenick were extremely proud of their workmanship.

The most important event of the Prom was the grand march led by Bob Schwantes, the king, and Rosemary Koepsell, his queen.

The excellent music and the pleasant informality of the school's biggest social event afforded a never-to-be forgotten evening for those in attendance.

"Senior Prophecy"

The Time: June 6, 1962.

The Scene: Ye "Soups" Tea Shoppe.

The Occasion: The Reunion of the Senior Class of '42.

The most famous place in Mayville, Ye "Soups" Tea Shoppe, was the setting of a much anticipated event, the reunion of the most famous class that ever marched from those cloistered halls of Mayville High School, that of 1942. On the curbstone greeting her classmates as each arrived was the chairman of the reunion committee. I'm sure you all would have recognized **Annette Engel**, just as you would have recognized the golden tones of her trombone as she swung into the school song. Playing sheepshead is "**Fat**" **Weinburger** (chewing bubble gum as usual), **Bachelor Bill Blodgett**, and "**Butch**" **Benter**, with his wife, the former **Hallie Trauba**, giving him advice as to how to place his bets. "**Judge**" **Cookie Adelmeier** is doing his share of "kibitzing."

At the counter we find none other than the **Billington** twins, **Ray** and **Roy**. Their girl friends, **Cecile Wetzel** and **Jerry James**, accompany them. The twins don't believe in rushing into things . . . they're still going steady!

A long distance call was just received from **Ronald Stommel's** farm near Horicon. It was **Jerome Zuelsdorf** and **Jack Leder**, who are now residents of Horicon, calling to say that they would be a little late because they ran out of gas and are now pushing Jack's patriotic model "A" to our reunion.

"**Wild-pitch**" **Krueger** of the "New York Yankees" is sitting in the corner blushing with love light hanging from his eyes as the beautiful Metropolitan Opera star, **Madame Rosa Maria Koepselli**, enters. She was being interviewed by **Esther Mueller** of the "Society Times," newspaper columnist **Allen Crist**, and photographer **Russell Bandlow** of the Milwaukee Journal. Suddenly our attention is called to the roar of airplanes overhead. Running outside we see two planes writing something in the sky with smoke! Quote: "Sorry we can't make the party, but the U. S. Air Corps demands we return immediately. Have a good time! Signed: **Gilbert Feucht** and **Frederic Korth**."

Just as we were returning to the shoppe, we heard a crash followed by terrible screams. Rushing to the scene of the accident we see two cars with their fenders badly bent. Emerging from a '42 "Chevie" is **Richard Hoffman** as he helps his sobbing wife, **Lucille Wolfinger** (my, my, who would have thought that they would ever get hitched). From the other car comes **Sylvia Suckow** and "**Louie**" **Voeltz**. "Let me through, let me through," someone shouted and who else could it be but the noted world-famed specialist, **Dr. Sonnentag**, with his special helper, **Mary Abt**. Examinations proved nobody was hurt, so feelings were quickly mended.

The most fascinating triangle came next. It was **Arnold Schwartz**, the well known cattle buyer of Horicon, escorted by two stiffly-dressed professional-appearing middle-aged women, **Jane Reible** and **Violet Schwandt**.

Postmaster **Martin Bachhuber** and wife, **Jane**

Gruber, have just pulled up in their new Packard accompanied by the ever present **Roger Ohman** and family. Time has not changed his methods of transportation.

Here comes **Harvey Sperling** steering a bicycle built for four. Doing more than their share of peddling are **Mildred Handel**, **Cora Rohde**, and **Mrs. Oris Zwieg** (the former **Marie Weinsheim**)! Is the corporal out on maneuvers again, Marie?

Miss Gladys Meilahn has increased her rate of talking from 75 to 100 words per minute since she received her new set of false teeth from **Dentist David Helmbrecht**. Man, oh man, it was bad before, but now it sounds like castenets. Me-thinks the teeth are too big!

All eyes bulged and popped as in came **Jeanne Leibold** and **Beulah Moldenhauer** dressed in daring evening gowns. They told us they had to hitch-hike from Juneau to the reunion because friend husbands had to work. Due to their attire it took them only eight minutes to hitch-hike (fast workers).

From the firm of "Do Less and See More" came these three secretaries, **Miss Esther Bogenschneider**, **Miss Virginia Serwe**, and **Miss Margaret Polzen**. Merely through force of habit, the bosses accompanied them to see they got proper seating arrangements (on their laps).

We were all greatly honored by the presence of that grand old man of basketball, "**Ikey**" **Froeming**, now coach of the Kekoskee All Stars accompanied by his devoted wife, the former **Delores Schraufnagel** with a brood of future All Stars and two cheerleaders clustering around.

An "Ace" of the Second World War, **Ray Schrab** was among the missing because of serious injuries sustained from a furious "dog fight" with the general's bull dog **Heinie**. He is being nursed back to health by **Lorraine Christian** for sentimental reasons.

Admiral Herman Burrow could not be consoled because his former debutante wife, **Beatrice Behnke**, has just gone to Reno for her third divorce.

The former **Beatrice Peters**, accompanied by her towering giant of a husband "**Buck**" were dancing the latest steps. We were not a bit surprised when **Wendell Schnaderbeck** timidly followed his dashing wife, the former **Leila Mae Zweig**, into the shoppe, as she flirted with the veteran Green Bay Packer half-back, **Richard Bath**. "History Repeats Itself," sez I.

Victor Ulrich and **Andrew Sperger** of the "Run-down Secondhand Car Agency," are exercising their sales abilities trying to sell **Waldemar Fischer** a car. "Nope, gotta ask the little lady first," is his reply!

The proprietress, **Virginia Cose**, of the Beautiful Beauty Booths, was not recognized due to a new elaborate hair-do, until we saw "**Hubby Tom Nell**," following her. Behind these two came **Ardis Schaefer**, **Milton Quandt**, and **Miss Evelyn Fischer**, secretary to her fiancée, **General Jackie Cooper**. **Rosemary** ("I want variety") **Gerlach** and **Luella** ("Not mad, Joe?") **Graunke** passed out the sandwiches and Pepsi-Cola. The curtain comes down now because the rest of the party is "STRICTLY PRIVATE."

"Senior Will"

Mary Abt wills her timidness to **Wilbur Gruenewaldt**.

Harold Adelmeyer wills his ability to chew gum to **Dorothy Luehring**.

Martin Bachhuber wills his intelligence to **Clarence Gnerlich**.

Russell Bandlow wills his physical proportions to **Earl Weiss**.

Richard Bath wills his four years of mischief to **Peter Buerger**.

Harold Benter wills his dancing ability to **Roger Cose**.

Beatrice Behnke wills her "technique" to **Connie Marrese** and **Lorraine Zander**.

SCHOOL HONORS

HONOR ROLL

Scholarship is the first requisite of high school success, and the mother of intelligent personality. It is only fitting then that we should honor those who have led their class throughout their high school course.

In determining the honor roll the four years of work and the grades received were taken into consideration. These seniors finished in the following order: Russell Bandlow, Annette Engel, Esther Mueller, Violet Schwandt, Rosemary Gerlach, Martin Bachhuber, Mildred Handel, Lucille Rohlinger, Rosemary Koepsell, David Helmbrecht.

AMERICAN LEGION AUXILIARY THEME CONTEST

The local American Legion Auxiliary unit in conjunction with their national headquarters sponsored a theme contest for the students of Mayville High School. All junior and senior English students were required to enter. The subject selected for the contest was, "The Characteristics of a Good American." Prizes were awarded for the three best themes chosen by the judges, Mrs. R. Priem, Mrs. E. Schultz, and Mrs. G. Jones. The first prize of five dollars in defense stamps was won by Hallie Trauba, the second prize of two dollars in defense stamps was won by Richard Bath, and the third prize of one dollar in defense stamps was won by Beatrice Peters.

AMERICAN LEGION ORATORICAL CONTEST

On March 5, the local American Legion, Bonau-Whereatt Post, sponsored an original oratorical contest for all the students of Mayville High School. The students who entered the competition and their selections were as follows: Roland Schoenike, "Whether America," Roger Cose, "Who Is An American," Richard Ruedebusch, "Selfishness or Self-Listness" Harold Adelmeyer, "In a Nation at War There is no Place for Crime," and Thor Thorgerson, "Defense Fires." The first prize of three dollars in defense stamps was won by Roland, the second prize of two dollars was won by Richard, and the third prize of one dollar in defense stamps was won by Thor.

STUDENT COUNCIL

Judge Stommel rapped for order. Bailiff Helmbrecht dragged the prisoner in. Clerk of Courts Adelmeyer read the charges, "Do you plead guilty or not guilty?" asked the judge. Assistant Bailiff Sperling pointed a menacing finger at the trembling prisoner.

Thus another weekly session of the Student Council got underway. These sessions serve a double purpose in that they made student self-government possible and at the same time improved the appearance of the school and the conduct of the student body.

On February 3, 1942, the play "The Whole Town is Talking" was presented in the post theatre by a group of Fort Education's officers. The money that was taken in will be used to start a fund to purchase new uniforms for the Regimental band.

The play revolved around the attempt of Mr. and Mrs. Simmons to marry off their daughter to a fitting suitor, but matters became quite complicated when Ethel returned from Chicago accompanied by a handsome young man, named Roger Shields. Mrs. Simmons is fascinated by Mr. Shields smooth manners and she feels that he is a fitting suitor for Ethel. Mr. Simmons takes a definite dislike to Mr. Shields because he wants Ethel to marry his business partner, Chester Binney. The family encounters many difficulties in their venture, but everyone is satisfied when the final curtain finds Ethel engaged to her father's partner Chester Binney, and Letty Lythe helps her fighter-fiance back to their hotel.
